**ORDER NO. 37: GRANTING RESPONDENTS' UNOPPOSED MOTION TO
MODIFY THE PROCEDURAL SCHEDULE [MOTION DOCKET
NO. 1373-036]**

(May 17, 2024)

On May 16, 2024, Respondents Lenovo (United States) Inc., Lenovo PC HK Limited, and Motorola Mobility LLC (collectively, "Respondents") filed an unopposed motion ("Motion") to modify the procedural schedule. (Motion Docket No. 1373-036). The Motion contains a Ground Rule 2.2 certification representing that Complainants InterDigital, Inc., InterDigital VC Holdings, Inc., InterDigital Patent Holdings, Inc., and InterDigital Madison Patent Holdings SAS (collectively, "InterDigital" or "Complainants," and, with Respondents, "the Private Parties") and counsel for the Office of Unfair Import Investigations ("Staff" and, with the Private Parties, "the Parties") do not oppose the Motion. (Mot. at 1, n.1).

The Motion contains three requests: 1) an order amending the procedural schedule to start the evidentiary hearing on August 13, 2024 instead of August 14, 2024; 2) an order allowing Respondents' expert Dr. Schonfeld to testify out of order to accommodate his testimony in a previously scheduled matter; and 3) an order amending the procedural schedule to alter certain expert discovery deadlines. (Mot. at 1). Respondents asserted that Dr. Schonfeld is their sole available expert witness for U.S. Patent Nos. 8,674,859 ("the '859 patent"), 9,674,556 ("the '556 patent"), and 10,250,877 ("the '877 patent") (together, "the Video Coding Patents" or "the CODEC Patents). (Mot. at 2-3). Also, Dr. Schonfeld is scheduled to testify in a jury trial set to begin the week of August 20, 2024. (Mot. at 2). I

find the Parties' requested modification to the evidentiary hearing dates and procedures reasonable under the circumstances described in the Motion and that good cause supports those modifications.

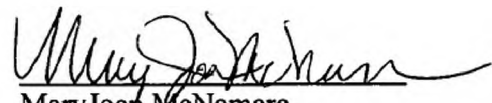

The Private Parties' requested modification to the expert discovery deadlines is also reasonable and supported by good cause. (Mot. at 4-5).

For good cause shown, and because there is no opposition, the Motion (Motion Docket No. 1373-036) is GRANTED. The Amended Procedural Schedule, (Order No. 34), is hereby amended as follows:

Event	Current Deadline	Proposed Deadline
Exchange of Initial Expert Reports	Friday, May 17, 2024	No Change
Exchange of Rebuttal Expert Reports	Wednesday, May 29, 2024	Friday, May 31, 2024
Expert Discovery Cutoff and Completion	Friday, June 7, 2024	Friday, June 14, 2024
Evidentiary Hearing	August 14-16, 19, 20, 2024	August 13-16, 19, 2024

Within fourteen (14) days of the date of this document, each party shall submit to the Office of the Administrative Law Judges through McNamara337@usitc.gov a statement whether it seeks to have any confidential portion of this document redacted. That is the courtesy copy pursuant to Ground Rule 1.3.2. Any party seeking redactions to the public version must submit to this office through McNamara337@usitc.gov a copy of a proposed public version of this document pursuant to Ground Rule 1.10 with yellow highlighting clearly indicating any portion asserted to contain confidential business information.

SO ORDERED.
